We're Serious about Safety

Over the past 10 years, Dyer has been instrumental in leading the campaign for Veolia North America's Environmental Solutions & Services (ESS) business to achieve VPP

status at locations across the United States and Puerto Rico.

EPA Proposes Adding Hazardous Waste Aerosols to Universal Waste Rule

This action would benefit the many manufacturing facilities that generate and manage large quantities of hazardous waste aerosol cans. Aerosol cans are widely used for dispensing a broad range of products including paints, solvents, pesticides and food.
